

Public Notice August 8, 2024
Drinking Water Problem Corrected

Attention Appalachian customers **in the Avis area on Ridge Street, Summit Street and West Highland Street.**

ESTE INFORME CONTIENE INFORMACIÓN IMPORTANTE ACERCA DE SU AGUA POTABLE. HAGA QUE ALGUIEN LO TRADUZCA PARA USTED, O HABLE CON ALGUIEN QUE LO ENTIENDA.

You were notified on August 2, 2024 of a potential problem with our drinking water and were advised to boil your water.

We are pleased to report that the problem has been corrected and that it is no longer necessary to boil your water.

We repaired a main line on August 2, 2024 and then collected two days of water samples as required by the PADEP. Water sample laboratory reports have been reviewed and all samples were absent for bacteria.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly.

You can check our website for updates in the future.
